Our Vision

As a Lycoming County Faith Community

- We are persons and congregations who **care** about our neighbors.
- We celebrate our unity through **faith in action**.
- We **respect** people and communities in their faith journeys.
- We **believe** the broader mandate of Jesus to care in tangible ways: to feed the hungry, to give drink to the thirsty, to welcome the stranger, to clothe the naked, and to visit the sick and imprisoned.
- We facilitate **cooperation and understanding** on faith, life, and justice issues.
- We **energize** people by mobilizing congregations and communities in response to **emerging needs**.

A Year of Ecumenical Prayer

United Churches officially began 1/4/1946. So we are starting our celebration at the beginning of the year. There will be at least one thing you can do every day for this 75th year of United Churches, and that is to pray.

We have begun publishing a calendar lifting up each congregation and or ministry in our county and a joy and or concern that they would like us all to be praying for.

This prayer resource will be available in our monthly newsletter as well as on our website, Facebook page, and will be sent out as a weekly email.

All congregation and ministry leaders will be invited to share these details make prayer requests.

A Monthly Prayer Gathering the last Sunday of the month at 4 p.m. It will be a virtual meeting on Zoom and the meeting number is 889 5190 0716, the password is 732862.

More? Maybe...

Thank you all

It is always a pleasure to work with each of you!
You are so willing to give of your time and talents
and share the love that God has shared with you!
As we continue to worship and serve in new ways,
may we remember that we are stronger together,
lifting each other up, and being united with our
time, talent, and treasures. That is the core of the
theme of The Week of Prayer for Christian Unity
this year, “Abide in my love... you shall bear
much fruit” (John 15:1-17).
