9th Annual Golf Tournament Committee *Friday September 27, 2019*

2019

Dear Friends,

Thank you again for sponsoring our tournament last year. The success of our eighth year had nothing to do with the rainy season and everything to do with your generous support and the kindness and cooperation of White Deer. We, United Churches Golf Tournament Committee, wanted to send this out to you as soon as possible. We'd like to have your help again in 2019 to keep all our ministries serving our community efficiently. Quite frankly, it takes all of us working together to get the job done.

Our sponsor donation levels include a level for everyone's budget. Your support helps us to make this one of the nicest tournaments many of our golfers play in all year. We give each golfer a special gift, lots of delicious food, and many extras along the way. We will be sure our golfers know of each and every sponsor. Our goal is to provide an enjoyable day full of good fun and fellowship while ensuring that the ministries of United Churches continues to benefit our community.

We will continue to list all our sponsors in the United Churches' newsletter to again remind those on our mailing lists (about 1500) just how important, you - our sponsors - are and to encourage them to support your business throughout the year. We have enclosed the page that ran this year in two newsletters and our Annual Assembly publication.

So please let us know you will be back as soon as possible. The sponsor form is enclosed.

Thank you,

The Golf Tournament Committee:
